The Honorable Board of Supervisors
County of Los Angeles
383 Kenneth Hahn Hall of Administration
500 West Temple Street
Los Angeles, CA 90012

Dear Supervisors:

**ISSUANCE AND SALE OF
MT. SAN ANTONIO COMMUNITY COLLEGE DISTRICT
ELECTION OF 2008 GENERAL OBLIGATION BONDS, SERIES A
(FIRST DISTRICT) (3 VOTES)**

SUBJECT

The governing board of the Mt. San Antonio Community College District (the "District") has requested that the County issue general obligation bonds on its behalf in an aggregate principal amount not to exceed \$85,000,000. The bonds were authorized by a vote of the qualified electors of the District and will be issued to finance capital improvements to various school facilities. Repayment of the bonds will be funded from the proceeds of ad valorem taxes levied on all taxable property within the District.

IT IS RECOMMENDED THAT YOUR BOARD:

Adopt the resolution authorizing the issuance and sale of the Mt. San Antonio Community College District (Los Angeles County, California) Election of 2008 General Obligation Bonds, Series A.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

On November 4, 2008, voters residing in the District approved a ballot measure authorizing the District to issue up to \$353,000,000 in general obligation bonds to fund various capital improvements. The governing board of the District adopted a resolution on March 25, 2009 and determined that the District needs to borrow funds in an

aggregate principal amount not to exceed \$85,000,000 to be used for authorized purposes. This will be the first issuance of bonds authorized under this ballot proposition.

Pursuant to Section 15100 et seq. of the California Education Code, the Board of Supervisors is responsible for offering the District's bonds for sale. The bonds are to be issued in the name and on behalf of the District by the County following receipt of the District's resolution requesting such borrowing.

Implementation of Strategic Plan Goals

This action supports the County's Strategic Plan Goal #1: Operational Effectiveness through collaborative actions among County departments and other governmental jurisdictions to provide investment in public school infrastructure within the County.

FISCAL IMPACT/FINANCING

There will be no fiscal impact to the County budget.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The resolution provides for the issuance of bonds at an interest rate not to exceed the maximum rate permitted by law. The final structure of the bonds will be determined at the time of pricing to achieve the lowest cost of financing within the tax levy limits of the proposition. The term of the bonds will not exceed twenty-five (25) years.

The District is recommending a negotiated sale of the bonds to the underwriter, with participation by the Treasurer and Tax Collector in pricing the bonds. The District has selected RBC Capital Markets as underwriter, and the firm of Stradling Yocca Carlson & Rauth as bond counsel. The Treasurer and Tax Collector will appoint U.S. Bank National Association as paying agent.

The County will annually levy and collect ad valorem taxes for the repayment of the bonds on behalf of the District.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

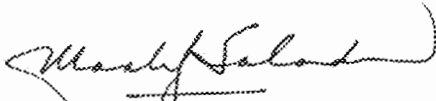

Not applicable.

WHEREAS, the District Board has authorized the sale of the Bonds at a negotiated sale, which the District Board has determined provides more flexibility in the timing of the sale, an ability to implement the sale in a shorter time period, an increased ability to structure the Bonds to fit the needs of particular purchasers, and a greater opportunity for RBC Capital Markets Corporation, Citigroup Global Markets Inc., and De La Rosa & Co. (collectively, the "Underwriters") to pre-market the Bonds to potential purchasers prior to the sale, all of which the District Board has determined will contribute the District's goal of achieving the lowest overall cost of funds;

WHEREAS, the District Board has estimated that the costs associated with the issuance of the Bonds, including costs which the Underwriters agree to pay pursuant to the Purchase Contract (defined herein), will equal approximately 2.5% of the principal amount of the Bonds and that the underwriting discount (excluding original issue discount thereon and the Underwriters' out-of-pocket expenses) will not exceed 0.75% of the aggregate principal amount of Bonds; and

WHEREAS, the District Board has appointed Stradling Yocca Carlson & Rauth, a Professional Corporation, San Francisco, California as Bond Counsel and Disclosure Counsel in connection with the issuance of the Bonds; and

WHEREAS, the District Board has appointed RBC Capital Markets Corporation, Los Angeles, California, Citigroup Global Markets Inc., Los Angeles, California and De La Rosa & Co.,

Los Angeles, California, collectively, as Underwriters in connection with the issuance of the Bonds; and

Each Capital Appreciation Bond shall be dated, and shall accrete interest from, its date of delivery unless otherwise set forth in the Purchase Contract. Capital Appreciation Bonds will not bear interest on a current basis.

Each Current Interest Bond shall be dated their date of delivery or such date as shall appear in the Purchase Contract (the "Dated Date"), and shall bear interest from the Bond Payment Date next preceding the date of authentication thereof unless it is authenticated as of a day during the

period from the 16th day of the month next preceding any Bond Payment Date to that Bond Payment Date, inclusive, in which event it shall bear interest from such Bond Payment Date, or unless it is authenticated on or before November 15, 2009, in which event it shall bear interest from the Dated Date.

Interest on the Current Interest Bonds shall be payable on the respective Bond Payment Dates. Interest on the Current Interest Bonds shall be computed on the basis of a 360-day year of twelve 30-day months.

The Capital Appreciation Bonds shall mature in the years and shall be issued in the aggregate Principal Amounts set forth in the Purchase Contract and shall have Accretion Rates and shall have denominational amounts per each Five Thousand Dollars (\$5,000) in Maturity Value as shown in the Accreted Value Table attached to the Purchase Contract; provided, that in the event that the amount shown in such Accreted Value Table and the Accreted Value caused to be calculated by the District and approved by the Bond Insurer, if any by application of the definition of Accreted Value set forth in Section 4 differ, the latter amount shall be the Accreted Value of such Capital Appreciation Bond.

(b) Redemption.

(i) Optional Redemption. The Bonds shall be subject to optional redemption prior to maturity as provided in the Purchase Contract.

(ii) Mandatory Redemption. Any Bonds sold as Term Bonds shall be subject to mandatory sinking fund redemption prior to maturity as provided in the Purchase Contract.

(iii) Selection of Bonds for Redemption. Whenever provision is made in this Resolution for the optional redemption of Bonds and less than all outstanding Bonds are to be redeemed, the Bond Registrar identified below, upon written instruction from the District, shall select Bonds for redemption as so directed and if not directed, in inverse order of maturity. Within a maturity, the Bond Registrar shall select Bonds for redemption by lot. Redemption by lot shall be in such manner as the Bond Registrar shall determine; provided, however, that the portion of any Current Interest Bond to be redeemed in part shall be in the Principal Amount of Five Thousand Dollars (\$5,000) or any integral multiple thereof and the portion of any Capital Appreciation Bond to be redeemed in part shall be in integral multiples of the Accreted Value per Five Thousand Dollars (\$5,000) Maturity Value thereof.

(iv) Notice of Redemption. When redemption is authorized or required, the Bond Registrar, upon the written instruction from the District provided at least 60 days prior to the date designated for such redemption, shall give notice (a "Redemption Notice") of the redemption of the Bonds. Such Redemption Notice shall specify: the Bonds or designated portions thereof (in the case of redemption of the Bonds in part but not in whole) which are to be redeemed, the date of redemption, the place or places where the redemption will be made, including the name and address of the Bond Registrar, the redemption price, the CUSIP numbers (if any) assigned to the Bonds to be redeemed, the Bond numbers of the Bonds to be redeemed in whole or in part and, in the case of any Bond to be redeemed in part only, the Principal Amount of such Bond to be redeemed, and the original issue date, interest rate or Accretion Rate and stated maturity date of each Bond to be redeemed in whole or in part. Such Redemption Notice shall further state that on the specified date there shall become due and payable upon each Bond or portion thereof being redeemed, the

redemption price thereof, together with the interest accrued or accreted to the redemption date, and that from and after such date, interest with respect thereto shall cease to accrue or accrete.

The Bond Registrar shall take the following actions with respect to such Redemption Notice:

(a) At least 30 but not more than 45 days prior to the redemption date, such Redemption Notice shall be given to the respective Owners of Bonds designated for redemption by registered or certified mail, postage prepaid, at their addresses appearing on the bond register maintained by the Bond Registrar (the "Bond Register").

(b) At least 30 but not more than 45 days prior to the redemption date, such Redemption Notice shall be given by (i) registered or certified mail, postage prepaid, (ii) telephonically confirmed facsimile transmission, or (iii) overnight delivery service, to each of the Securities Depositories.

(c) At least 30 but not more than 45 days prior to the redemption date, such Redemption Notice shall be given by (i) registered or certified mail, postage prepaid, or (ii) overnight delivery service, to one of the Information Services.

Neither failure to receive any Redemption Notice nor any defect in any such Redemption Notice so given shall affect the sufficiency of the proceedings for the redemption of the affected Bonds. Each check issued or other transfer of funds made by the Bond Registrar for the purpose of redeeming Bonds shall bear or include the CUSIP number identifying, by issue and maturity, the Bonds being redeemed with the proceeds of such check or other transfer.

(v) Partial Redemption of Bonds. Upon the surrender of any Bond redeemed in part only, the Bond Registrar shall execute and deliver to the Owner thereof a new Bond or Bonds of like tenor and maturity and of authorized denominations equal in Transfer Amounts to the unredeemed portion of the Bond surrendered. Such partial redemption shall be valid upon payment of the amount required to be paid to such Owner, and the County and the District shall be released and discharged thereupon from all liability to the extent of such payment.

(vi) Effect of Notice of Redemption. Notice having been given as aforesaid, and the monies for the redemption (including the interest to the applicable date of redemption) having been set aside in the District's Debt Service Fund, the Bonds to be redeemed shall become due and payable on such date of redemption.

If on such redemption date, money for the redemption of all the Bonds to be redeemed as provided in Section 5(b)(i) and (ii) hereof, together with interest accrued to such redemption date, shall be held by the Bond Registrar so as to be available therefor on such redemption date, and if notice of redemption thereof shall have been given as aforesaid, then from and after such redemption date, interest with respect to the Bonds to be redeemed shall cease to accrue or accrete and become payable. All money held by or on behalf of the Bond Registrar for the redemption of Bonds shall be held in trust for the account of the Owners of the Bonds so to be redeemed.

All Bonds paid at maturity or redeemed prior to maturity pursuant to the provisions of this Section 5 shall be cancelled upon surrender thereof and be delivered to or upon the order of the County and the District. All or any portion of a Bond purchased by the County or the District shall be cancelled by the Bond Registrar.

(vii) Bonds No Longer Outstanding. When any Bonds (or portions thereof), which have been duly called for redemption prior to maturity under the provisions of this Resolution, or with respect to which irrevocable instructions to call for redemption prior to maturity at the earliest redemption date have been given to the Bond Registrar, in form satisfactory to it, and sufficient monies shall be held by the Bond Registrar irrevocably in trust for the payment of the redemption price of such Bonds or portions thereof, and, in the case of Current Interest Bonds, accrued interest with respect thereto to the date fixed for redemption, all as provided in this Resolution, then such Bonds shall no longer be deemed outstanding and shall be surrendered to the Bond Registrar for cancellation.

(c) Book-Entry System.

(i) Election of Book-Entry System. The Bonds shall initially be delivered in the form of a separate single fully-registered bond (which may be typewritten) for each maturity date of such Bonds in an authorized denomination (except for any odd denomination Capital Appreciation Bond). The ownership of each such Bond shall be registered in the Bond Register (as defined below) in the name of the Nominee, as nominee of the Depository and ownership of the Bonds, or any portion thereof may not thereafter be transferred except as provided in Section 5(c)(i)(4).

With respect to book-entry Bonds, the District and the Bond Registrar shall have no responsibility or obligation to any Participant or to any person on behalf of which such a Participant holds an interest in such book-entry Bonds. Without limiting the immediately preceding sentence, the District and the Bond Registrar shall have no responsibility or obligation with respect to (i) the accuracy of the records of the Depository, the Nominee, or any Participant with respect to any ownership interest in book-entry Bonds, (ii) the delivery to any Participant or any other person, other than an owner as shown in the Bond Register, of any notice with respect to book-entry Bonds, including any notice of redemption, (iii) the selection by the Depository and its Participants of the beneficial interests in book-entry Bonds to be prepaid in the event the District redeems the Bonds in part, or (iv) the payment by the Depository or any Participant or any other person, of any amount with respect to Accreted Value, Principal, premium, if any, or interest on the book-entry Bonds. The District and the Bond Registrar may treat and consider the person in whose name each book-entry Bond is registered in the Bond Register as the absolute owner of such book-entry Bond for the purpose of payment of Accreted Value or Principal of and premium and interest on and to such Bond, for the purpose of giving notices of redemption and other matters with respect to such Bond, for the purpose of registering transfers with respect to such Bond, and for all other purposes whatsoever. The Bond Registrar shall pay all Accreted Value or Principal of and premium, if any, and interest on the Bonds only to or upon the order of the respective owner, as shown in the Bond Register, or his respective attorney duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge the District's obligations with respect to payment of Accreted Value or Principal of, and premium, if any, and interest on the Bonds to the extent of the sum or sums so paid. No person other than an owner, as shown in the Bond Register, shall receive a certificate evidencing the obligation to make payments of Accreted Value or Principal of, and premium, if any, and interest on the Bonds. Upon delivery by the Depository to the owner and the Bond Registrar, of written notice to the effect that the Depository has determined to substitute a new nominee in place of the Nominee, and subject to the provisions herein with respect to the Record Date, the word Nominee in this Resolution shall refer to such nominee of the Depository.

1. Delivery of Letter of Representations. In order to qualify the book-entry Bonds for the Depository's book-entry system, the District and the Bond Registrar shall execute and deliver to the Depository a Letter of Representations. The execution and delivery of a Letter of Representations shall not in any way impose upon the District or the Bond Registrar any obligation whatsoever with respect to persons having interests in such book-entry Bonds other than the owners, as shown on the Bond Register. By executing a Letter of Representations, the District shall agree to take all action necessary at all times so that the District will be in compliance with all representations of the District in such Letter of Representations. In addition to the execution and delivery of a Letter of Representations, the District and the Bond Registrar shall take such other actions, not inconsistent with this Resolution, as are reasonably necessary to qualify book-entry Bonds for the Depository's book-entry program.

2. Selection of Depository. In the event (i) the Depository determines not to continue to act as securities depository for book-entry Bonds, or (ii) the District determines that continuation of the book-entry system is not in the best interest of the beneficial owners of the Bonds or the District, then the District will discontinue the book-entry system with the Depository. If the District determines to replace the Depository with another qualified securities depository, the District shall prepare or direct the preparation of a new single, separate, fully registered bond for each maturity date of such book-entry Bond, registered in the name of such successor or substitute qualified securities depository or its Nominee as provided in subsection (4) hereof. If the District fails to identify another qualified securities depository to replace the Depository, then the Bonds shall no longer be restricted to being registered in such Bond Register in the name of the Nominee, but shall be registered in whatever name or names the owners transferring or exchanging such Bonds shall designate, in accordance with the provisions of this Section 5(c).

3. Payments to Depository. Notwithstanding any other provision of this Resolution to the contrary, so long as all outstanding Bonds are held in book-entry and registered in the name of the Nominee, all payments by the District or the Bond Registrar with respect to Accreted Value or Principal of and premium, if any, or interest on the Bonds and all notices with respect to such Bonds shall be made and given, respectively to the Nominees, as provided in the Letter of Representations or as otherwise instructed by the Depository and agreed to by the Bond Registrar notwithstanding any inconsistent provisions herein.

4. Transfer of Bonds to Substitute Depository.

(A) The Bonds shall be initially issued as described in this Resolution, as may be modified by the Purchase Contract. Registered ownership of such Bonds, or any portions thereof, may not thereafter be transferred except:

(1) to any successor of DTC or its nominee, or of any substitute depository designated pursuant to Section 5(c)(i)(4)(A)(2) ("Substitute Depository"); provided that any successor of DTC or Substitute Depository shall be qualified under any applicable laws to provide the service proposed to be provided by it;

(2) to any Substitute Depository designated by the District, upon (a) the resignation of DTC or its successor (or any Substitute Depository or its successor)

from its functions as depository, or (b) a determination by the District that DTC (or its successor) is no longer able to carry out its functions as depository; provided that any such Substitute Depository shall be qualified under any applicable laws to provide the services proposed to be provided by it; or

(3) to any person as provided below, upon (a) the resignation of DTC or its successor (or any Substitute Depository or its successor) from its functions as depository, or (b) a determination by the District that DTC or its successor (or Substitute Depository or its successor) is no longer able to carry out its functions as depository.

(B) In the case of any transfer pursuant to Section 5(c)(i)(4)(A)(1) or (2), upon receipt of all outstanding Bonds by the Bond Registrar, together with a written request of the District to the Bond Registrar designating the Substitute Depository, a single new Bond, which the District shall prepare or cause to be prepared, shall be executed and delivered for each maturity of Bonds then outstanding, registered in the name of such successor or such Substitute Depository or their Nominees, as the case may be, all as specified in such written request of the District. In the case of any transfer pursuant to Section 5(c)(i)(4)(A)(3), upon receipt of all outstanding Bonds by the Bond Registrar, together with a written request of the District to the Bond Registrar, new Bonds, which the District shall prepare or cause to be prepared, shall be executed and delivered in such denominations and registered in the names of such persons as are requested in such written request of the District, provided that the Bond Registrar shall not be required to deliver such new Bonds within a period of less than sixty (60) days from the date of receipt of such written request from the District.

(C) In the case of a partial redemption or an advance refunding of any Bonds evidencing a portion of the Maturity Value or Principal maturing in a particular year, DTC or its successor (or any Substitute Depository or its successor) shall make an appropriate notation on such Bonds indicating the date and amounts of such reduction in Maturity Value or Principal, in form acceptable to the Bond Registrar, all in accordance with the Letter of Representations. The Bond Registrar shall not be liable for such Depository's failure to make such notations or errors in making such notations.

(D) The District and the Bond Registrar shall be entitled to treat the person in whose name any Bond is registered as the owner thereof for all purposes of this Resolution and any applicable laws, notwithstanding any notice to the contrary received by the Bond Registrar or the District; and the District and the Bond Registrar shall not have responsibility for transmitting payments to, communicating with, notifying, or otherwise dealing with any beneficial owners of the Bonds. Neither the District nor the Bond Registrar shall have any responsibility or obligation, legal or otherwise, to any such beneficial owners or to any other party, including DTC or its successor (or Substitute Depository or its successor), except to the Owner of any Bonds, and the Bond Registrar may rely conclusively on its records as to the identity of the owners of the Bonds.

SECTION 6. Execution of Bonds. The Bonds shall be signed by the Chairman of the Board of Supervisors of the County and the Treasurer by their manual or facsimile signatures and countersigned by the manual or facsimile signature of and the seal of the County affixed thereto by the Executive Officer-Clerk of the Board of Supervisors, all in their official capacities. No Bond shall be valid or obligatory for any purpose or shall be entitled to any security or benefit under this

Resolution unless and until the certificate of authentication printed on the Bond is signed by the Bond Registrar as authenticating agent. Authentication by the Bond Registrar shall be conclusive evidence that the Bond so authenticated has been duly issued, signed and delivered under this Resolution and is entitled to the security and benefit of this Resolution.

SECTION 7. Bond Registrar: Transfer and Exchange. The County Board does hereby consent to and confirm the appointment of the Treasurer to act as the Bond Registrar for the Bonds. The Treasurer is authorized to contract with any third party to perform the services of Bond Registrar under this Resolution.

So long as any of the Bonds remain outstanding, the Bond Registrar will maintain and keep at its principal office all books and records necessary for the registration, exchange and transfer of the Bonds as provided in this Section. Subject to the provisions of Section 8 below, the person in whose name a Bond is registered on the Bond Register shall be regarded as the absolute owner of that Bond for all purposes of this Resolution. Payment of or on account of the Principal or Accreted Value of and premium, if any, and interest on any Bond shall be made only to or upon the order of that person; neither the District, the County nor the Bond Registrar shall be affected by any notice to the contrary, but the registration may be changed as provided in this Section. All such payments shall be valid and effectual to satisfy and discharge the District's liability upon the Bonds, including interest, to the extent of the amount or amounts so paid.

Any Bond may be exchanged for Bonds of like tenor, maturity and Transfer Amount upon presentation and surrender at the principal office of the Bond Registrar, together with a request for exchange signed by the Owner or by a person legally empowered to do so in a form satisfactory to the Bond Registrar. A Bond may be transferred on the Bond Register only upon presentation and surrender of the Bond at the principal office of the Bond Registrar together with an assignment executed by the Owner or by a person legally empowered to do so in a form satisfactory to the Bond Registrar. Upon exchange or transfer, the Bond Registrar shall complete, authenticate and deliver a new Bond or Bonds of like tenor and of any authorized denomination or denominations requested by the Owner equal to the Transfer Amount of the Bond surrendered and bearing or accruing interest at the same rate and maturing on the same date. Capital Appreciation Bonds and Current Interest Bonds may not be exchanged for one another.

If any Bond shall become mutilated, the County, at the expense of the Owner of said Bond, shall execute, and the Bond Registrar shall thereupon authenticate and deliver, a new Bond of like series, tenor and Transfer Amount in exchange and substitution for the Bond so mutilated, but only upon surrender to the Bond Registrar of the Bond so mutilated. If any Bond issued hereunder shall be lost, destroyed or stolen, evidence of such loss, destruction or theft may be submitted to the Bond Registrar and, if such evidence be satisfactory to the Bond Registrar and indemnity for the Bond Registrar, the County and the District satisfactory to the Bond Registrar shall be given by the owner, the County, at the expense of the Bond owner, shall execute, and the Bond Registrar shall thereupon authenticate and deliver, a new Bond of like tenor in lieu of and in substitution for the Bond so lost, destroyed or stolen (or if any such Bond shall have matured or shall have been called for redemption, instead of issuing a substitute Bond the Bond Registrar may pay the same without surrender thereof upon receipt of indemnity satisfactory to the Bond Registrar). The Bond Registrar may require payment of a reasonable fee for each new Bond issued under this paragraph and of the expenses which may be incurred by the County and the Bond Registrar.

If manual signatures on behalf of the County are required in connection with an exchange or transfer, the Bond Registrar shall undertake the exchange or transfer of Bonds only after the new Bonds are signed by the authorized officers of the County. In all cases of exchanged or transferred Bonds, the County shall sign and the Bond Registrar shall authenticate and deliver Bonds in accordance with the provisions of this Resolution. All fees and costs of transfer shall be paid by the requesting party. Those charges may be required to be paid before the procedure is begun for the exchange or transfer. All Bonds issued upon any exchange or transfer shall be valid obligations of the District, evidencing the same debt, and entitled to the same security and benefit under this Resolution as the Bonds surrendered upon that exchange or transfer.

Any Bond surrendered to the Bond Registrar for payment, retirement, exchange, replacement or transfer shall be cancelled by the Bond Registrar. The District and the County may at any time deliver to the Bond Registrar for cancellation any previously authenticated and delivered Bonds that the District and the County may have acquired in any manner whatsoever, and those Bonds shall be promptly cancelled by the Bond Registrar. As requested by the County, written reports of the surrender and cancellation of Bonds shall be made to the District and the County by the Bond Registrar. The cancelled Bonds shall be retained for two years, then destroyed by the Bond Registrar.

Neither the District, the County nor the Bond Registrar will be required (a) to issue or transfer any Bonds during a period beginning with the opening of business on the 16th day of the month next preceding any Bond Payment Date or 16th day preceding any date of selection of Bonds to be redeemed and ending with the close of business on the Bond Payment Date or any day on which the applicable notice of redemption is given or (b) to transfer any Bonds which have been selected or called for redemption in whole or in part.

SECTION 8. Payment. Payment of interest on any Current Interest Bond on any Bond Payment Date shall be made to the person appearing on the registration books of the Bond Registrar as the Owner thereof as of the Record Date immediately preceding such Bond Payment Date, such interest to be paid by check mailed to such Owner on the Bond Payment Date at his address as it appears on such registration books or at such other address as he may have filed with the Bond Registrar for that purpose on or before the Record Date. The Owner in an aggregate Principal Amount or Maturity Value of One Million Dollars (\$1,000,000) or more may request in writing to the Bond Registrar that such Owner be paid interest by wire transfer to the bank and account number on file with the Bond Registrar as of the Record Date. The principal, and redemption premiums, if any, payable on the Current Interest Bonds and the Accreted Value and redemption premiums, if any, on the Capital Appreciation Bonds shall be payable upon maturity or redemption upon surrender at the principal office of the Bond Registrar. The interest, Accreted Value, Principal and premiums, if any, on the Bonds shall be payable in lawful money of the United States of America. The Bond Registrar is hereby authorized to pay the Bonds when duly presented for payment at maturity, and to cancel all Bonds upon payment thereof. The Bonds are general obligations of the District and do not constitute an obligation of the County except as provided in this Bond Resolution. No part of any fund of the County is pledged or obligated to the payment of the Bonds.

SECTION 9. Form of Bonds. The Bonds shall be in substantially the following form, allowing those officials executing the Bonds to make the insertions and deletions necessary to conform the Bonds to this Resolution and the Purchase Contract.

SECTION 10. Delivery of Bonds. The proper officials of the County shall cause the Bonds to be prepared and, following their sale, shall have the Bonds signed and delivered, to the original purchaser upon payment of the purchase price therefor.

SECTION 11. Deposit of Proceeds of Bonds. (a) The proceeds from the sale of the Bonds, to the extent of the Principal Amount thereof, shall be paid to the County to the credit of the fund hereby created and established and to be known as the "Mt. San Antonio Community College District, Election of 2008 General Obligation Bonds, Series A Building Fund" (the "Building Fund") of the District, shall be kept separate and distinct from all other District and County funds, and those proceeds shall be used solely for the purpose for which the Bonds are being issued and provided further that such proceeds shall be applied solely to the purposes as authorized by the Election. The County shall have no responsibility for assuring the proper use of the Bond proceeds by the District. The accrued interest and any premium received by the County from the sale of the Bonds shall be kept separate and apart in the fund hereby created and established and to be designated as the "Mt. San Antonio Community College District, Election of 2008 General Obligation Bonds, Series A Debt Service Fund" (the "Debt Service Fund") for the Bonds and used only for payment of Accreted Value or Principal of and interest on the Bonds. Interest earnings on monies held in the Building Fund shall be retained in the Building Fund. Interest earnings on monies held in the Debt Service Fund shall be retained in the Debt Service Fund. Any excess proceeds of the Bonds not needed for the authorized purposes set forth herein for which the Bonds are being issued upon written notice from the District shall be transferred to the Debt Service Fund and applied to the payment of Accreted Value or Principal of and interest on the Bonds. If, after payment in full of the Bonds, there remain excess proceeds, any such excess amounts shall be transferred to the General Fund of the District. Costs associated with the issuance of the Bonds shall be paid by the District from monies deposited in the Building Fund or by the Underwriters, on behalf of the District, from premium paid on the Bonds and not received by the County.

(b) Moneys in the Debt Service Fund and the Building Fund shall be invested at the written direction of the District, and after consultation with the County, in Permitted Investments. If at the time of issuance the District determines to issue the Bonds as Tax-Exempt Bonds without regard to the Internal Revenue Code "temporary period" restrictions, all investment of Bond proceeds shall be subject to paragraph (1) below; and the District, in consultation with the County, may provide for an agent to assist the County in investing funds pursuant to paragraph (1) below. If the District fails to direct the County or its agent, as the case may be, the County or its agent shall invest or cause the funds in the Building Fund to be invested in Qualified Permitted Investments, subject to the provisions of paragraph (1) below, until such time as the District provides written direction to invest such funds otherwise. Neither the County nor its officers and agents, as the case may be, shall have any responsibility or obligation to determine the tax consequences of any investment. The interest earned on the moneys deposited to the Building Fund shall be applied as set forth in subparagraph (1)(C) below:

(1) Covenant Regarding Investment of Proceeds.

(A) Permitted Investments. Beginning on the delivery date, and at all times until expenditure for authorized purposes, not less than 95% of the proceeds of the Bonds deposited in the Building Fund, including investment earnings thereon, will be invested in Qualified Permitted Investments which are rated in at least the second highest rating category by one of the two Rating Agencies. Notwithstanding the preceding provisions of this Section, for purposes of this paragraph, amounts

derived from the disposition or redemption of Qualified Permitted Investments and held pending reinvestment or redemption for a period of not more than 30 days may be invested in Permitted Investments. The District hereby authorizes investments made pursuant to this Resolution with maturities exceeding five years.

(B) Recordkeeping and Monitoring Relating to Building Fund.

i. Information Regarding Permitted Investments. The District hereby covenants that it will record or cause to be recorded with respect to each Permitted Investment in the Building Fund the following information: purchase date; purchase price; information establishing the Fair Market Value of such Permitted Investment; face amount; coupon rate; periodicity of interest payments; disposition price; disposition date; and any accrued interest received upon disposition.

ii. Information in Qualified Non-AMT Mutual Funds. The District hereby covenants that, with respect to each investment of proceeds of the Bonds in a Qualified Non-AMT Mutual Fund pursuant to paragraph (1)(A) above, in addition to recording, or causing to be recorded, the information set forth in paragraph (1)(B)(i) above, it will retain a copy of each IRS information reporting form and account statement provided by such Qualified Non-AMT Mutual Fund.

iii. Monthly Investment Fund Statements. The District covenants that it will obtain, at the beginning of each month following the delivery date, a statement of the investments in the Building Fund detailing the nature, amount and value of each investment as of such statement date.

iv. Retention of Records. The District hereby covenants that it will retain the records referred to in paragraph (1)(B)(i) and each IRS information reporting form referred to in paragraph (1)(B)(ii) with its books and records with respect to the Bonds until six years following the last date that any obligation comprising the Bonds is retired.

(c) Interest Earned on Permitted Investments. The interest earned on the moneys deposited in the Building Fund shall be deposited in the Building Fund and used for the purposes of that fund.

Except as required below to satisfy the requirements of Section 148(f) of the Internal Revenue Code of 1986, as amended (the "Code"), interest earned on the investment of monies held in the Debt Service Fund shall be retained in the Debt Service Fund and used by the County to pay the Accreted Value or Principal of and interest on the Bonds when due.

SECTION 12. Rebate Fund.

(a) The District shall create and establish a special fund designated the "Mt. San Antonio Community College District, Election of 2008 General Obligation Bonds, Series A Rebate Fund" (the "Rebate Fund"). All amounts at any time on deposit in the Rebate Fund shall be held in trust, to the extent required to satisfy the requirement to make rebate payments to the United States (the "Rebate Requirement") pursuant to Section 148 of the Code, and the Treasury Regulations promulgated thereunder (the "Treasury Regulations"). Such amounts shall be free and clear of any

lien hereunder and shall be governed by this Section and by the Tax Certificate to be executed by the District.

(b) Within forty-five (45) days of the end of each fifth Bond Year (as such term is defined in the Tax Certificate), (1) the District shall calculate or cause to be calculated with respect to the Bonds the amount that would be considered the "rebate amount" within the meaning of Section 1.148-3 of the Treasury Regulations, using as the "computation date" for this purpose the end of such Bond Year, and (2) the District shall deposit to the Rebate Fund from amounts on deposit in the other funds established hereunder or from other District funds, if and to the extent required, amounts sufficient to cause the balance in the Rebate Fund to be equal to the "rebate amount" so calculated. The District shall not be required to deposit any amount to the Rebate Fund in accordance with the preceding sentence, if the amount on deposit in the Rebate Fund prior to the deposit required to be made under this subsection (b) equals or exceeds the "rebate amount" calculated in accordance with the preceding sentence. Such excess may be withdrawn from the Rebate Fund to the extent permitted under subsection (g) of this Section. The District shall not be required to calculate the "rebate amount" and shall not be required to deposit any amount to the Rebate Fund in accordance with this subsection (b), with respect to all or a portion of the proceeds of the Bonds (including amounts treated as proceeds of the Bonds) (1) to the extent such proceeds satisfy the expenditure requirements of Section 148(f)(4)(B) or Section 148(f)(4)(C) of the Code or Section 1.148-7(d) of the Treasury Regulations, whichever is applicable, and otherwise qualify for the exception to the Rebate Requirement pursuant to whichever of said sections is applicable, (2) to the extent such proceeds are subject to an election by the District under Section 148(f)(4)(C)(vii) of the Code to pay a one and one-half percent (1½%) penalty in lieu of arbitrage rebate in the event any of the percentage expenditure requirements of Section 148(f)(4)(C) are not satisfied, or (3) to the extent such proceeds qualify for the exception to arbitrage rebate under Section 148(f)(4)(A)(ii) of the Code for amounts in a "bona fide debt service fund." In such event, and with respect to such amounts, the District shall not be required to deposit any amount to the Rebate Fund in accordance with this subsection (b).

(c) Any funds remaining in the Rebate Fund after redemption of all the Bonds and any amounts described in paragraph (2) of subsection (d) of this Section, or provision made therefor satisfactory to the District, including accrued interest, shall be remitted to the District.

(d) Subject to the exceptions contained in subsection (b) of this Section to the requirement to calculate the "rebate amount" and make deposits to the Rebate Fund, the District shall pay to the United States, from amounts on deposit in the Rebate Fund,

(1) not later than sixty (60) days after the end of (i) the fifth (5th) Bond Year, and (ii) each fifth (5th) Bond Year thereafter, an amount that, together with all previous rebate payments, is equal to at least 90% of the "rebate amount" calculated as of the end of such Bond Year in accordance with Section 1.148-3 of the Treasury Regulations; and

(2) not later than sixty (60) days after the payment of all Bonds, an amount equal to one hundred percent (100%) of the "rebate amount" calculated as of the date of such payment (and any income attributable to the "rebate amount" determined to be due and payable) in accordance with Section 1.148-3 of the Treasury Regulations.

(e) In the event that, prior to the time any payment is required to be made from the Rebate Fund, the amount in the Rebate Fund is not sufficient to make such payment when such payment is due, the District shall calculate (or have calculated) the amount of such deficiency and

deposit an amount equal to such deficiency into the Rebate Fund prior to the time such payment is due.

(f) Each payment required to be made pursuant to subsection (d) of this Section shall be made to the Internal Revenue Service Center, Ogden, Utah 84201, on or before the date on which such payment is due, and shall be accompanied by Internal Revenue Service Form 8038-T, such form to be prepared or caused to be prepared by the District.

(g) In the event that immediately following the calculation required by subsection (b) of this Section, but prior to any deposit made under said subsection, the amount on deposit in the Rebate Fund exceeds the "rebate amount" calculated in accordance with said subsection, the District may withdraw the excess from the Rebate Fund and credit such excess to the Debt Service Fund.

(h) The District shall retain records of all determinations made hereunder until six years after the complete retirement of the Bonds.

(i) Notwithstanding anything in this Resolution to the contrary, the rebate requirement shall survive the payment in full or defeasance of the Bonds.

SECTION 13. Security for the Bonds. There shall be levied on all the taxable property in the District, in addition to all other taxes, a continuing direct *ad valorem* tax annually during the period the Bonds are outstanding in an amount sufficient to pay the principal of and interest on the Bonds when due, which monies when collected will be placed in the Debt Service Fund of the District, which fund is irrevocably pledged for the payment of the principal and Accreted Value of and interest on the Bonds when and as the same fall due.

SECTION 14. Arbitrage Covenant. The County acknowledges that the District has covenanted that it will restrict the use of the proceeds of the Bonds in such manner and to such extent, if any, as may be necessary, so that the Bonds will not constitute arbitrage bonds under Section 148 of the Code and the applicable regulations prescribed under that Section or any predecessor section. Calculations for determining arbitrage requirements are the sole responsibility of the District.

SECTION 15. Conditions Precedent. Based in part on representations of the District, this County Board determines that all acts and conditions required by the Constitution and laws of the State of California to exist, to occur and to be performed or to have been met precedent to and in the issuing of the Bonds in order to make them legal, valid and binding general obligations of the District have been performed and have been met, or will at the time of delivery of the Bonds have been performed and have been met, in regular and due form as required by law.

SECTION 16. Insurance. In the event the District purchases bond insurance for the Bonds, and to the extent that the Bond Insurer makes payment of the principal, interest or Accreted Value on the Bonds, it shall become the owner of such Bonds with the right to payment of principal, interest or Accreted Value on the Bonds, and shall be fully subrogated to all of the Owners' rights, including the Owners' rights to payment thereof. To evidence such subrogation (i) in the case of subrogation as to claims that were past due interest components, the Bond Registrar shall note the Bond Insurer's rights as subrogee on the registration books for the Bonds maintained by the Bond Registrar upon receipt of a copy of the cancelled check issued by the Bond Insurer for the payment of such interest to the Owners of the Bonds, and (ii) in the case of subrogation as to claims for past due Principal or

Accreted Value, the Bond Registrar shall note the Bond Insurer as subrogee on the registration books for the Bonds maintained by the Bond Registrar upon surrender of the Bonds by the Owners thereof to the Bond Insurer or the insurance trustee for the Bond Insurer.

SECTION 17. Defeasance. All or any portion of the outstanding maturities of the Bonds may be defeased prior to maturity in the following ways:

(a) Cash: by irrevocably depositing with the County or with an independent escrow agent selected by the District, and satisfactory to the County, an amount of cash which together with amounts then on deposit in the Debt Service Fund is sufficient to pay all Bonds outstanding and designated for defeasance, including all principal and interest and premium, if any; or

(b) Government Obligations: by irrevocably depositing with the County or with an independent escrow agent selected by the District, and satisfactory to the County, noncallable Government Obligations together with cash, if required, in such amount as will, in the opinion of an independent certified public accountant, satisfactory to the County, together with interest to accrue thereon and monies then on deposit in the Debt Service Fund together with the interest to accrue thereon, be fully sufficient to pay and discharge all Bonds outstanding and designated for defeasance (including all principal and interest represented thereby and prepayment premiums, if any) at or before their maturity date;

then, notwithstanding that any of such Bonds shall not have been surrendered for payment, all obligations of the District and the County with respect to all such designated outstanding Bonds shall cease and terminate, except only the obligation of the County and the Bond Registrar or an independent escrow agent selected by the District, and satisfactory to the County, to pay or cause to be paid from funds deposited pursuant to paragraphs (a) or (b) of this Section, to the owners of such designated Bonds not so surrendered and paid all sums due with respect thereto.

For purposes of this Section, Government Obligations shall mean:

Direct and general obligations of the United States of America (which may consist of obligations of the Resolution Funding Corporation that constitute interest strips), or obligations that are unconditionally guaranteed as to principal and interest by the United States of America, or "prerefunded" municipal obligations rated in the highest rating category by Moody's or Standard & Poor's. In the case of direct and general obligations of the United States of America, Government Obligations shall include evidences of direct ownership of proportionate interests in future interest or principal payments of such obligations. Investments in such proportionate interests must be limited to circumstances where (a) a bank or trust company acts as custodian and holds the underlying United States obligations; (b) the owner of the investment is the real party in interest and has the right to proceed directly and individually against the obligor of the underlying United States obligations; and (c) the underlying United States obligations are held in a special account, segregated from the custodian's general assets, and are not available to satisfy any claim of the custodian, any person claiming through the custodian, or any person to whom the custodian may be obligated; provided that such obligations are rated or assessed "AAA" by Standard & Poor's or "Aaa" by Moody's.

SECTION 18. Amendments. The County may from time to time (which may be at the request of the District, made in writing), and at any time, without notice to or consent of any of the Owners, by action of the County Board, amend the provisions of this Resolution for any of the following reasons:

(a) to cure any ambiguity, to correct or supplement any provision herein which may be inconsistent with any other provision herein or therein, or to make any other provision with respect to matters or questions arising under this Resolution, provided that such action shall not adversely affect the interests of the Bond owners;

(b) to add to the covenants and agreements of and the limitations and the restrictions upon the District contained in this Resolution which are not contrary to or inconsistent with this Resolution as theretofore in effect; and

(c) to modify, alter, amend or supplement this Resolution in any other respect which is not materially adverse to the Bond owners.

In the event of any such amendment, the County shall promptly provide the District and the paying agent with copies of such amendment and the action of the County Board approving such amendment.

SECTION 19. Other Actions. (a) Officers of the Board and County officials and staff are hereby authorized and directed, jointly and severally, to do any and all things and to execute and deliver any and all documents which they may deem necessary or advisable in order to proceed with the issuance of the Bonds and otherwise carry out, give effect to and comply with the terms and intent of this Resolution. Such actions heretofore taken by such officers, officials and staff are hereby ratified, confirmed and approved.

(b) Notwithstanding any other provision herein, the provisions of this Resolution as they relate to the terms of the Bonds may be amended by the Purchase Contract.

SECTION 20. Continuing Disclosure. The District has covenanted and agreed that it will comply with and carry out all of the provisions of the Continuing Disclosure Certificate. Any Bondholder may take such actions as may be necessary and appropriate, including seeking mandate or specific performance by court order, to cause the District to comply with its obligations under this Section.

SECTION 21. Unclaimed Funds. Notwithstanding any other provisions of this Resolution, any monies held in any fund created pursuant to this Resolution, or by the Bond Registrar in trust, for the payment of the principal of, redemption premium, if any, interest in Maturity Value on the Bonds and remaining unclaimed for one year after the principal of all of the Bonds have become due and payable (whether by maturity or upon prior redemption) shall be, after payment in full of the Bonds, transferred to the general fund of the District to be applied in accordance with law; provided, however, that the Bond Registrar, before making such payment, shall cause notice to be mailed to the Owners of all Bonds that have not been paid, by first-class mail at the addresses on the Bond Register, postage prepaid, no less than 90 days prior to the date of such payment. Thereafter, the District shall have all responsibility and liability for the payment of such Bonds.

SECTION 23. Effective Date. This Resolution shall take effect immediately upon its passage.

The foregoing resolution was on the 14th day of April, 2009, adopted by the Board of Supervisors of the County of Los Angeles and ex-officio the governing body of all other special assessment and taxing districts, agencies and authorities for which said Board so acts.

Ladies and Gentlemen:

The undersigned, RBC Capital Markets Corporation, as representative (the "Representative") of itself, Citigroup Global Markets Inc. and E. J. De La Rosa & Co, Inc. (the "Underwriters"), acting on its own behalf and not as a fiduciary agent for you, offers to enter into this Contract of Purchase (the "Contract of Purchase") with the County of Los Angeles, California (the "County") and the Mt. San Antonio Community College District (the "District"), which, upon your acceptance hereof, will be binding upon the County, the District and the Underwriters. This offer is made subject to the written acceptance of this Contract of Purchase by the County and the District and delivery of such acceptance to us at or prior to 11:59 P.M., California Time, on the date hereof.

1. **Purchase and Sale of the Bonds.** Upon the terms and conditions and in reliance upon the representations, warranties and agreements herein set forth, the Underwriters hereby agree to purchase from the County for reoffering to the public, and the County hereby agrees to sell in the name and on behalf of the District to the Underwriters for such purpose, all (but not less than all) of \$_____ aggregate principal or issue amount of the District's Election of 2008 General Obligation Bonds, Series A (the "Bonds"). The Bonds shall bear or accrete interest at the rates, shall mature in the years and shall be subject to redemption as shown on Appendix A hereto, which is incorporated herein by this reference. The Current Interest Bonds (as defined in the County Resolution described below) shall be dated the date of delivery thereof and shall be payable as to interest on each June 1 and December 1, commencing [December 1, 2009.] The Capital Appreciation Bonds (as defined in the County Resolution described below) shall accrete interest from the date of delivery thereof, compounded semiannually on June 1 and December 1, commencing on June 1, 2009, and shall be paid at maturity as shown in Appendix A hereto. The Underwriters shall purchase the Bonds at a price of \$_____ (consisting of the aggregate principal or issue amount of the Bonds of \$_____, plus net

original issue premium of \$_____, less an Underwriters' discount of \$_____, less \$_____ to be retained by the Representative to pay costs of issuance in accordance with Section 13 hereof, [and less bond insurance premium of \$_____ to be wired directly to the Insurer).]

In the event that following payment of the costs of issuance, the amount retained by the Representative exceeds the actual costs, the Representative shall remit any remaining amount to the County and the County shall deposit such amount into the District's Debt Service Fund. In the event the amount retained by the Representative for payment of costs of issuance is insufficient to pay costs of issuance, any shortfall shall be paid by the District.

Inasmuch as this purchase and sale represents a negotiated transaction, the County and the District understand, and hereby confirm, that the Underwriters are not acting as a fiduciary of the County or the District, but rather are acting solely in their respective capacity as Underwriters, for their own accounts. The Representative has been duly authorized to execute this Contract of Purchase and to act hereunder.

2. **The Bonds.** The Bonds shall be dated as of their date of delivery. The Bonds shall mature on the dates shown on Appendix A hereto, shall otherwise be as described in the Official Statement (as defined below), and shall be issued and secured pursuant to the provisions of the Resolution of the District adopted on _____, 2009 (the "District Resolution") and the Resolution of the Board of Supervisors of the County adopted _____, 2009 (the "County Resolution" and, collectively with the District Resolution, the "Resolutions") and Section 15264 *et seq.* of the California Education Code (the "Act").

The Bonds shall be executed and delivered under and in accordance with the provisions of this Contract of Purchase and the Resolutions. The Bonds shall be in book-entry form, shall bear CUSIP numbers, shall be in fully registered form, registered in the name of Cede & Co., as nominee of The Depository Trust Company, New York, New York; the Bonds shall initially be in authorized denominations of \$5,000 principal or maturity value each or any integral multiple thereof. [The payment of principal of and interest (but not any redemption premium) on the Bonds shall be secured by a financial guaranty insurance policy (the "Insurance Policy"), to be issued simultaneously with the issuance of the Bonds by _____ (the "Insurer").]

3. **Use of Documents.** The District and the County hereby authorize the Underwriters to use, in connection with the offer and sale of the Bonds, this Contract of Purchase and an Official Statement (defined below), the Resolutions and all information contained herein and therein and all of the documents, certificates or statements furnished by the District or the County to the Underwriters in connection with the transactions contemplated by this Contract of Purchase.

4. **Public Offering of the Bonds.** The Underwriters agree to make a *bona fide* public offering of all the Bonds at the initial public offering prices or yields to be set forth on the inside cover page of the Official Statement (defined below). Subsequent to such initial public offering, the Underwriters reserve the right to change such initial public offering prices or yields as deemed necessary in connection with the marketing of the Bonds.

5. **Official Statement.** The District has caused to be drafted and consents to the use of a Preliminary Official Statement (the "Preliminary Official Statement"), including the cover page and Appendices thereto, relating to the Bonds. The District represents that it deems the Preliminary Official Statement to be final as of its date, except for either revision or addition of the offering price(s), interest rate(s), yield(s) to maturity, selling compensation, aggregate principal amount, principal amount per maturity, delivery date, rating(s) and other terms of the Bonds which depend upon the foregoing as provided in and pursuant to Rule 15c2-12 of the Securities and Exchange Commission under the Securities and Exchange Act of 1934, as amended (the "Rule"). The Preliminary Official Statement has been prepared for use by the Underwriters in connection with the public offering, sale and distribution of the Bonds.

The District hereby authorizes the preparation of a final Official Statement respecting the Bonds following the execution hereof (the "Official Statement") and the District hereby authorizes the use thereof by the Underwriters in connection with the public offering and sale of the Bonds. The District shall provide, or cause to be provided, to the Underwriters as soon as practicable after the date of the District's acceptance of this Contract of Purchase (but, in any event, not later than seven business days after the execution hereof, and in sufficient time to accompany any confirmation of a sale of Bonds) copies of the Official Statement, which is complete as of the date of its delivery to the Underwriters, in such reasonable quantities as the Underwriters shall request in order to comply with Section (b)(4) of the Rule and the rules of the Municipal Securities Rulemaking Board.

The Underwriters agree that prior to the time the final Official Statement relating to the Bonds is available, the Underwriters will send to any potential purchaser of the Bonds, upon the request of such potential purchaser, a copy of the Preliminary Official Statement. Such Preliminary Official Statement shall be sent by first class mail or electronic distribution (or other equally prompt means) not later than the first business day following the date upon which each such request is received.

If, after the date of this Contract of Purchase to and including the date on which the Underwriters are no longer required to provide an Official Statement to potential customers who request the same pursuant to the Rule (being the earlier of (1) 90 days from the "end of the underwriting period" (as defined in the Rule) and (2) the time when the Official Statement is available to any person from a nationally recognized municipal securities repository, but in no case less than 25 days after the "end of the underwriting period" for the Bonds), the District becomes aware of any fact or event which might or would cause the Official Statement, as then supplemented or amended, to contain any untrue statement of a material fact or to omit to state a material fact required to be stated therein or necessary in order to make the statements therein not misleading, or if it is necessary to amend or supplement the Official Statement to comply with law, the District will notify the Representative (and for the purposes of this clause provide the Representative with such information as it may from time to time request) and, if, in the opinion of the Representative, such fact or event requires preparation and publication of a supplement or amendment to the Official Statement, the District will forthwith prepare and furnish, at the District's own expense (in a form and manner approved by the Representative), a reasonable number of copies of either amendments or supplements to the Official Statement so that the statements in the Official Statement as so amended and supplemented will not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or

necessary in order to make the statements therein not misleading or so that the Official Statement will comply with law. If such notification shall be subsequent to the Closing, the District shall furnish such legal opinions, certificates, instruments and other documents as the Underwriters may deem necessary in order to evidence the truth and accuracy of such supplement or amendment to the Official Statement.

The Representative hereby agrees to file the Official Statement with a nationally recognized municipal securities information repository. Unless otherwise notified in writing by the Representative, the County and the District may assume that the "end of the underwriting period" is the date of the Closing.

6. **Closing.** At 8:00 A.M., California Time, on _____, 2009, or at such other time or on such other date as shall have been mutually agreed upon by the County, the District and the Representative (the "Closing"), the County will deliver to the Representative, at the offices of The Depository Trust Company ("DTC") in New York, New York, or at such other place as we may mutually agree upon, the Bonds in fully registered book-entry form, duly executed and registered in the name of Cede & Co., as nominee of DTC, together with the other documents hereinafter mentioned; and the Representative will accept such delivery and pay the purchase price thereof in immediately available funds by wire transfer to an account or accounts designated by the County.

7. **Representations, Warranties and Agreements of the Underwriters.** The Underwriters represent to and agree with the District that, as of the date hereof and as of the Closing Date:

(a) The Representative is duly authorized to execute this Purchase Contract and to take any action under this Purchase Contract required to be taken by it.

(b) The Underwriters are in compliance with MSRB Rule G-37 with respect to the District, and are not prohibited thereby from acting as underwriters with respect to securities of the District.

(g) Between the date hereof and the Closing, without the prior written consent of the Underwriters, neither the District, nor the County, nor any other person on behalf of the District, will have issued in the name and on behalf of the District any bonds, notes or other obligations for borrowed money except for such borrowings as may be described in or contemplated by the Official Statement.

(h) Any certificates signed by any officer of the District and delivered to the Underwriters shall be deemed a representation and warranty by the District to the Underwriters, but not by the person signing the same, as to the statements made therein.

(d) To the best knowledge of the County, the issuance of the Bonds, the execution, delivery and performance of this Contract of Purchase, the County Resolution and the Bonds, and the compliance with the provisions hereof do not conflict with or constitute on the part of the County a violation of or default under, the Constitution of the State of California or any existing law, charter, ordinance, regulation, decree, order or resolution and do not conflict with or result in a violation or breach of, or constitute a

OPINION OF COUNTY COUNSEL

§ _____
MT. SAN ANTONIO COMMUNITY COLLEGE DISTRICT
LOS ANGELES COUNTY, CALIFORNIA
ELECTION OF 2008 GENERAL OBLIGATION BONDS, SERIES A

Ladies and Gentlemen:

This opinion is rendered as counsel to the County of Los Angeles (the "County") in connection with the issuance by the Mt. San Antonio Community College District (the "District") of its Election of 2008 General Obligation Bonds, Series A in the aggregate principal amount of \$ _____ ("Bonds"). The Bonds are being issued pursuant to a resolution of the Board of Supervisors of the County adopted on _____, 2009 (the "County Resolution"), at the request of the District made pursuant to a resolution adopted by the Board of Trustees of the District on _____, 2009 (the "District Resolution").

In rendering this opinion, we have examined the County Resolution, the Contract of Purchase dated _____, 2009 (the "Contract of Purchase") and such other documents, records and instruments and made such investigations of law and fact as we have deemed necessary to render the opinions expressed herein.

Based upon the foregoing, and solely with respect to the laws of the State of California (the "State"), we are of the opinion, as of the date hereof, that:

1. The County is a political subdivision duly organized and existing pursuant to the Constitution and the laws of the State of California.
2. The County Resolution approving and authorizing the execution and delivery of the Contract of Purchase and the issuance of the Bonds was duly adopted at a meeting of the governing body of the County which was called and held pursuant to law and with all public notice required by law and at which a quorum was present and acting at the time of adoption, has not been modified, amended, rescinded or revoked and is in full force and effect on the date hereof.
3. There is no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, government agency, public board or body, pending, in which service of process has been completed on the County, or, to the best knowledge of the County, threatened against the County (a) affecting the existence of the County or the titles of its officers who have acted with respect to the proceedings for issuance and sale of the Bonds to their respective offices; (b) seeking to prohibit, restrain or enjoin the execution of the Contract of Purchase or the issuance of the Bonds or in any way contesting or affecting the validity or enforceability of the Bonds, the Contract of Purchase, or the County Resolution; (c) contesting the powers of the County or its authority to enter into, adopt or perform its obligations under the County

Resolution or the Contract of Purchase; or (d) seeking to restrain or enjoin the levy or collection of tax revenues pledged for payment of the Bonds.

4. The Contract of Purchase has been duly authorized, executed and delivered by the County and the Bonds have been duly authorized by the County, executed by the County on behalf of the District and delivered by the County and, assuming due authorization, execution and delivery by the other parties thereto, the Contract of Purchase will constitute the legal, valid and binding agreement of the County enforceable against the County in accordance with its terms.

With respect to the opinions we have expressed, enforcement of the rights and obligations under the County Resolution, the Contract of Purchase and the Bonds may be limited by bankruptcy, insolvency, reorganization, moratorium or other laws affecting the enforcement of creditors' rights generally, by the application of equitable principles if equitable remedies are sought, and by limitations on legal remedies imposed in actions against public entities in the State. We express no opinion as to the availability of equitable remedies in connection with enforcement of the County Resolution, the Contract of Purchase or the Bonds.

Very truly yours,

COUNTY COUNSEL

**MT. SAN ANTONIO COMMUNITY COLLEGE DISTRICT
RESOLUTION NO. 08-10**

A RESOLUTION OF THE BOARD OF TRUSTEES OF THE MT. SAN ANTONIO COMMUNITY COLLEGE DISTRICT, LOS ANGELES COUNTY, CALIFORNIA, AUTHORIZING THE ISSUANCE OF MT. SAN ANTONIO COMMUNITY COLLEGE DISTRICT, LOS ANGELES COUNTY, CALIFORNIA ELECTION OF 2008 GENERAL OBLIGATION BONDS, SERIES A.

WHEREAS, a duly called election (the "Election") was held in the Mt. San Antonio Community College District, Los Angeles County, State of California (hereinafter referred to as the "District"), on November 4, 2008, at which the following proposition (the "Bond Measure") was submitted to the qualified electors of the District:

"Classroom Repair, Education Improvement, Public Safety/Job Training Measure. To maintain academic excellence for students/nurses/firefighters by upgrading classrooms/laboratories/fire alarms, repairing roofs/plumbing, removing lead paint/asbestos, retrofitting buildings for earthquake safety/handicap accessibility, increasing energy efficiency, expanding job training, shall Mt. San Antonio Community College District repair, acquire, construct, equip buildings/sites/facilities by issuing \$353,000,000 of bonds at legal rates, with annual audits, citizens' oversight, no money for administrators' salaries, and no tax rate increase?"

WHEREAS, at the Election, the Bond Measure received the affirmative vote of the requisite fifty-five percent of the voters of the District voting on the proposition (the "Authorization"), as certified by the Registrar of Voters of the County of Los Angeles in the official canvassing of votes;

WHEREAS, at this time, this Board of Trustees of the District (the "Board"), has determined that it is necessary and desirable to request the Board of Supervisors of the County (the "County Board") to issue the first series of bonds under the Authorization in an aggregate principal amount not-to-exceed \$85,000,000, to be styled as the "Mt. San Antonio Community College District (Los Angeles County, California) Election of 2008 General Obligation Bonds, Series A" (the "Bonds") on behalf of the District;

WHEREAS, the County Board shall issue the Bonds on behalf of the District pursuant to Chapter 1.5 of Part 10 of Division 1 of Title 1 (commencing with Section 15264 et seq.) of the California Education Code (the "Act"); and

WHEREAS, the Board desires to appoint certain professionals to provide services related to the issuance of the Bonds; and

WHEREAS, all acts, conditions and things required by law to be done or performed have been done and performed in strict conformity with the laws authorizing the issuance of general obligation bonds of the District, and the indebtedness of the District, including this proposed issue of Bonds, is within all limits prescribed by law;

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF TRUSTEES OF THE MT. SAN ANTONIO COMMUNITY COLLEGE DISTRICT AS FOLLOWS:

Section 1. Authorization and Purpose. To raise money for the purposes authorized by voters of the District at the Election, and to pay all necessary legal, financial and contingent costs in connection with issuing the Bonds, this Board hereby petitions the County Board to authorize the issuance of the Bonds pursuant to the Act and to order such Bonds sold at a negotiated sale such that the Bonds shall be dated as of a date to be determined by the County Board, shall bear interest at a rate not-to-exceed that authorized at the Election, and shall be payable upon such terms and provisions as shall be set forth in the Bonds, and shall be in an aggregate principal amount not-to-exceed \$85,000,000. The Board hereby approves the sale of the Bonds at a negotiated sale, which is determined to provide more flexibility in the timing of the sale, an ability to implement the sale in a shorter time period, an increased ability to structure the Bonds to fit the needs of particular purchasers, and a greater opportunity for the RBC Capital Markets Corporation, Citigroup Global Markets Inc., and E. J. De La Rosa & Co., Inc. (collectively, the "Underwriters") to pre-market the Bonds to potential purchasers prior to the sale, all of which will contribute to the District's goal of achieving the lowest overall cost of funds. The Board estimates that the costs associated with the issuance of the Bonds, including compensation to the Underwriter and any such costs which the Underwriters agree to pay pursuant to the Purchase Contract (defined herein), will equal approximately 1% of the principal amount of the Bonds plus cost of Municipal Bond insurance, if necessary.

Section 2. Paying Agent. This Board does hereby authorize the appointment of the Treasurer and Tax Collector of the County as the authenticating agent, bond registrar, transfer agent and paying agent (collectively, the "Bond Registrar"). The Treasurer is authorized to contract with any third party to perform the services of the Bond Registrar. The District acknowledges that ongoing expenses and fees of the Bond Registrar and all other fees and costs incurred in connection with the Bonds will be paid by the District.

Section 3. Tax Covenants. The District hereby covenants with the holders of the Bonds that, notwithstanding any other provisions of this Resolution, it will (1) comply with all of the provisions of the resolution of the Board of Supervisors of the County authorizing the issuance of the Bonds relating to the Rebate Fund (as defined therein) and perform all acts necessary to be performed by the District in connection therewith, and (2) make no use of the proceeds of the Bonds or of any other amounts, regardless of the source, or of any property or take any action, or refrain from taking any action, that would cause the Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Internal Revenue Code of 1986, as amended (the "Code").

The District will not make any use of the proceeds of the Bonds or any other funds of the District, or take or omit to take any other action, that would cause the Bonds to be "private activity bonds" within the meaning of Section 141 of the Code or "federally guaranteed" within the meaning of Section 149(b) of the Code. To that end, so long as any Bonds are unpaid, the District, with respect to such proceeds and such other funds, will comply with all requirements of such Sections and all regulations of the United States Department of the Treasury issued there under and under Section 103 of the Code, as amended, to the extent such requirements are, at the time, applicable and in effect.

The District will not use or permit the use of its facilities or any portion thereof by any person other than a governmental unit as such term is used in Section 141 of the Code, in such manner or to such extent as would result in the loss of exclusion from gross income for federal income tax purposes of the interest paid on the Bonds. In furtherance of the foregoing tax covenants of this Section 3, the District covenants that it will comply with the instructions and requirements of the Tax Certificate to be executed and delivered by the District on the date of issuance of the Bonds, which is incorporated herein as if fully set forth herein. These covenants shall survive the payment in full or defeasance of the Bonds.

Section 4. Legislative Determinations. This Board determines that all acts and conditions necessary to be performed by the Board or to have been met precedent to and in the issuing of the Bonds in order to make them legal, valid and binding general obligations of the District have been performed and have been met, or will at the time of delivery of the Bonds have been performed and have been met, in regular and due form as required by law; and that no statutory or constitutional limitation of indebtedness or taxation will have been exceeded in the issuance of the Bonds.

Section 5. Official Statement. The Preliminary Official Statement relating to the Bonds, substantially in the form on file with the Clerk of the Board, is hereby approved and the President, the Vice President, Administrative Services of the District, or an authorized deputy thereof (collectively, the "Authorized Officers"), each alone, are hereby authorized and directed, for and in the name and on behalf of the District, to deliver such Preliminary Official Statement to the Underwriter to be used in connection with the offering and sale of the Bonds. The Authorized Officers, each alone, are hereby authorized and directed, for and in the name and on the behalf of the District, to deem the Preliminary Official Statement, "final" pursuant to Section 15c2-12 of the Securities and Exchange Act of 1934, prior to its distribution, and to execute and deliver to the Underwriters a final Official Statement (the "Official Statement"), substantially in the form of the Preliminary Official Statement, with such changes therein, deletions there from and modification thereto as the Authorized Officer executing the same shall approve. The Underwriters are hereby authorized to distribute copies of the Preliminary Official Statement to persons who may be interested in the purchase of Bonds and is directed to deliver copies of any final official statement to the purchasers of the Bonds. Execution of the Official Statement shall conclusively evidence the District's approval of the Official Statement.

Section 6. Purchase Contract.
